

PUBLIC NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes.

The Administrator has received complete applications for water pollution control discharge permits from the following applicant

***CORCHA, L.L.C.
5370 Kietzke Lane, Suite 207
Reno, Nevada 89511***

Corcha, L.L.C. (permittee) proposes to apply tertiary treated denitrified and disinfected effluent provided by the City of Mesquite Wastewater Treatment Facility to the Falcon Ridge golf course for irrigation (reuse) on fairways, and for roadway median irrigation in the Arroyo Heights development proximal to the golf course. The golf course is located north of U.S. I-15, west northwest of the town of Mesquite, Nevada. The reclaim water will be additionally aerated and disinfected with an Ozonation system before discharge into the irrigation storage lake in accordance with conditions set forth in the Effluent Management Plan required by the Nevada Division of Environmental Protection. The proposed permit will be for a period of (5) five years.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) and implementing regulations, the Administrator proposes to issue the subject permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determination by the Administrator regarding permit issuance or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing by April 7, 2001 (within thirty (30) days of newspaper publication) either in person or by mail to:

***Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
333 West Nye Lane
Carson City, Nevada 89706-0851***

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted.

All comments or objections received within thirty (30) days of newspaper publication will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest

in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

***Notice of Proposed
Action

If no hearing is held and the determination of the Administrator is substantially changed from the tentative determination, the Administrator will give public notice of the revised determination. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icyl Mulligan of the Bureau of Water Pollution Control at (775) 687-4670, extn. 3139.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
